

Dear Mr. Robert Drechsler,

July 13, 2011

I was donated a laptop by you and the To the Top with Laptops foundation after graduating from New Rochelle High School last summer of 2010. I just want to show my appreciation and gratitude because thanks to your gift I was able to complete my first year of college at Fairfield University in Connecticut. My family and I are very thankful for your thoughtful gift as it helped me adapt and successfully complete a new step in life.

Sincerely,

A handwritten signature in cursive script that reads "José Zepeda". The signature is written in black ink and is positioned to the right of the word "Sincerely,".
