

Dear Mr. Robert H. Drechsler,

First I would like to express how much this means to me. When I heard my name called for the To The Top With Laptops Scholarship I froze in my seat in astonishment before I realized I was suppose to walk up on stage. But like all other surprises in life I moved forward. I wasn't the only person to appreciate this either as all the other recipients of this scholarship expressed much gratitude as well. You have affected us in a very positive way.

As I approach my first year of college the laptop and color printer will prove to be very helpful in completing my work in a punctual and professional manner. This will help me excel in my classes. This will help my complete college and achieve my dreams. I send my deepest thanks to you and all of To The Top With Laptops, Inc.

Sincerely,
