Dear Mr. Drechsler,

Thank you to you and To The Top with Laptops, Inc. for the scholarship you awarded me. I'm so excited to receive the state-of-the-art Dell laptop and 3-in-1 color printer; both will help me get off to a great start at college!

Thank you again for all your help; I truly appreciate it.

Best wishes for the summer of 2010!

Sincerely,

Michele Zimmerman
