Dear Mr. Drechsler:

I would like to thank you for the laptop I received as part of the To the Top Laptops award program. Winning this award was such an honor and an unforgettable experience for me. It means so much to me to have the opportunity to start my college education with such a beautiful laptop. Winning this award validated my hard work in high school and gave me confidence for the years ahead.

I thank you for your generosity and support. Please know that the time and effort you have put into this program has made a profound difference in my life. Your support to Mamaroneck High School students is applauded and appreciated. I hope that in the future, I will be able to follow in your footsteps to help students reach their personal and educational goals.

With thanks and appreciation,
