Dear *Mr. Drechsler*,

I am writing to express my sincere gratitude to you for making the To the Top with Laptops Program possible. I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support.

I will be majoring in Social Work with hopes of protecting children and assisting families in need. The laptop you provided will be of great help to me in keeping up with my classes and working on assignments.

Thank you again for your generosity and support. I promise you I will work very hard and eventually give something back to others, both as a social worker and possibly offering awards to future students like myself.

Sincerely,
