

Dear, The Top With Laptops Scholarship
Mr. Robert Drechsler & Mrs. Bea Drechsler

I am writing this letter to thank you so much for helping me with my education. The help that you are giving me means the world to me. This means so much to me because four years ago I came to this country and decided to take on the challenge to become a top tier student. This first seemed to be an insurmountable task because I first came into High School, as a student who barely knew any English. Today, your Scholarship Committee's validation really has made me feel that I have accomplished this goal that I set out for myself so long ago and I thank you from the bottom of my heart.

Best Regards,

Lina Jimenez
